47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

FCC,

Regarding your unfounded assertion that there "is effectively no UNE-based competition" in the residential market: I live in the San Francisco/Oakland Bay Area, and we absolutely would be "materially affected", I would say "severely affected" if our providers did not have access to UNE services!!!

Are you Americans or not? Competition is the American Way!!
